## free to breathe WELCOME TO THE JANET CONLON GOLF OUTING DONATION PAGE

Friday, September 12, 2014 at 1:00pm  
Links of Crystal Lake Golf Course,  
Pontiac, MI  
Sponsored by TMP Architecture, Inc.

Janet Conlon was a beloved  
TMP staff member from 1976 –  
2010. We remember Janet's  
dedication to her role as Director  
of Accounting, her never-ending  
commitment to TMP, and most  
importantly her love for the game  
of golf. Janet was a dear friend  
to so many of us and a devoted  
TMP member who loved life,  
enjoyed all the fun times with her  
co-workers, and was a truly  
talented golfer! This event is our

way of remembering and paying tribute to a truly special friend.

Any donation amount is appreciated!

### About Free to Breathe:

What if I told you that you could join a passionate and connected nationwide community simply by making a donation? A community dedicated to raising funds for lung cancer research and treatments that will save lives. A community that believes that one day we will all be Free to Breathe. Well, you can.

TMP is fundraising for Free to Breathe, an organization dedicated to doubling lung cancer survival by 2022. Will you donate today and join us?

Here are ways you can help make this vision a reality:

- Click on the "Donate" button to support our fundraising efforts with a donation
- Spread the word about my fundraising efforts by sending the link to this webpage to everyone you know

The Free to Breathe event series, including this event and many others like it around the country, unites people who are passionate about improving the lives of each and every person affected by lung cancer. It's more than an athletic challenge. It's more than a day of awareness. Free to Breathe is my opportunity to make the world a better place through our fundraising efforts. And it's your opportunity to help restore hope to those faced with a lung cancer diagnosis.

Thank you in advance for your support and generosity. Please share this page with your friends and family. Together, we can make a difference for each and every person whose life has been touched by lung cancer. Together, we can all be Free to Breathe.

### About my non-profit:

We are Free to Breathe, a 501(c)(3), non-profit organization. We are a partnership of lung cancer survivors, advocates, researchers, healthcare professionals and industry leaders. And we are united in the belief that every person with lung cancer deserves a cure.

Our mission is to ensure surviving lung cancer is the expectation, not the exception.

We are dedicated to doubling lung cancer survival by 2022.
